

## Arrival and Departure Information

**The Workshop will start with Lunch on Wednesday 29<sup>th</sup> August at 12 noon.**

**By Train:** If you are arriving by train, then please aim to arrive at Lancaster Train Station around 11am – 11.45am.

There will be Richardson Institute Internship students waiting there to meet you, and then, in groups, put you into taxis to go straight to campus, and meet up with the rest of the group at Security Reception. (The taxis are already paid for.)

**By Car:** If you are driving, or being dropped off – please go to Security Reception:

Go up the Main University Drive (Bigforth Drive), left at the roundabout, and take first right, where you see the Chaplaincy Centre (pictured), Security Reception is here on your right.

Please note: if you are driving up the main Bigforth Drive, **you** have right of way at the roundabout at the top. Please let me know, in advance, if you are driving yourself, as you will need a car parking permit, otherwise parking is £5 per day.

The Richardson Institute Internship students will be teaching you, and they will be there to meet you at Security Reception. They will walk you in groups to the FASS Meeting Rooms for Registration (there will be a locked room here for luggage) – and then on to Lunch.

**By Bus:** Please let me know if you plan to get the bus, and I can help you with where to go when you get either to Lancaster town, or to the University.

More information on getting to Lancaster University can be found at [Getting Here](#)

~

**On Friday, 31<sup>st</sup> August the New Political Minds Workshop will finish at 2.30pm.**

The Richardson Institute Internship students will walk you back to Security Reception.

If you are being collected, this is the same place where you will have been dropped off.

If you are going by train, we will arrange and pay for taxis to take you, in groups, to the Train Station in plenty of time for your return train.

For those getting the bus home, we will make sure that you get to the bus stop at the correct time.

**If you get delayed, you can telephone me on 07702 810 168**
